Mission: Southwest Christian Academy exists to prepare life-long learners in a Christ-centered environment with an emphasis on servant leadership through a Biblical World View and to give students the tools to live in and challenge their culture as Godly men and women.

Dear Parents:

Thank you for your interest in our school. We have adopted an admissions policy that opens the school to families who are like-minded spiritually, who are supportive of our philosophy, objectives, and standards of education, and whose children meet our enrollment standards. Our purpose is to serve families who desire not simply a private education, but a distinctively Christian education for their children. This school unashamedly believes, teaches, and practices a literal interpretation of the Word of God. If you do not agree with our religious mission and beliefs, enrolling your child in our school will likely cause him or her confusion. For example, if a question regarding biblical lifestyles arises in your child's classroom, the teacher will answer from a biblical viewpoint consistent with our mission and belief statement. If your beliefs and lifestyle choices are not in agreement with our doctrinal stance, that answer will likely create conflict in your child's heart and mind. This internal conflict could drive a wedge between you and your child, cause your child to negatively judge you as a parent, or force your child to choose between our teaching and what he or she learns at home. We respect your desire to place your child in the best possible learning environment, but if you are not in full agreement with our doctrinal positions, it will be best for all concerned if you do not enroll your child at our school. Biblical principles are integrated into every subject taught at our school. Our staff is committed not only to academic excellence, but also to teaching students how to apply the truths of God's Word to every aspect of life. If you are in agreement with the teachings of God's Word, this school will complement the beliefs and ideals your child is taught at home. We look forward to partnering with you to educate your child in God's truth. May the Lord lead you in making this very important life changing decision.

Educationally yours,

Dr. Lucinda Crouch
